

Scan Me

What is the Literacy Service?

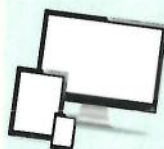

The **Education Authority's Literacy Service** provides support in the area of literacy difficulties for pupils, parents/carers and schools.

Scan the QR Code to visit the Literacy Service homepage for more information, ideas and strategies for use with your child or pupil.

Literacy Service Homepage

On the EA Literacy Service homepage you can find some helpful suggestions in areas such as:

- Assistive Technology available both in school and at home
- Tips and strategies for supporting pupils with literacy difficulties for both staff and parents
- Booking portal for online professional learning

Read&Write

Read&Write is a powerful tool that helps pupils gain confidence with reading, writing, studying and research both at home and at school.

You can install it for **free** on up to 5 devices from the dedicated Texthelp landing page.

Visit the Literacy Service homepage for more information.

Digital Resources

The Literacy Service homepage has videos demonstrating the use of Assistive Technology and online learning resources including **C2K NewsDesk** and **Media Library**, **Joining Libraries NI** and the **Libby App**.

Check in regularly for new uploads.

Newsletter

The Literacy Service releases a regular Newsletter that parents can share with their children.

It expresses the views of the child and provides some tips and strategies on how you can make learning enjoyable at home.

Visit the Literacy Service homepage to see the latest issue.
